Jefferson County Sheriff’s Office Memorial Garden

A big ‘Thank You’ to Mary Kirby for planning the renewal of the Jefferson County Sheriff’s Office Memorial Garden. Mary was responsible for all facets of getting this garden planned, selecting and ordering the plants, and scheduling the planting date. In addition, much appreciation goes to Ellen Nielsen for her help in the initial planning and support of this project.

Also a big ‘Thanks’ to Mary and the other DRS members Ellen Nielsen, Scott Whitten and Ellen Katz for assisting on planting day, Saturday, May 22, 2010. These Denver Rose Society members braved 30 mile-per-hour winds to provide oversight of the ten Jefferson County Sheriff’s Office inmates in the planting of the 12 new Iceberg shrub roses, and also furnished hands-on labor in the planting (and transplating) of over 100 perennial plants.

This project was made successful through a Denver Rose Society Endowment of $1,000 and will continue to honor those fallen officers for many years to come.
DEDICATED TO THE MEN AND WOMEN WHO HAVE SERVED THE CITIZENS OF JEFFERSON COUNTY
