Variety	Class	Comments
Above All	LCI	Very vigorous.
Alice Hart	HT	I particularly like the way this rose took off running! I only planted it a couple months ago and it is churning out roses like nobody's business. It seems healthy and vigorous and I love the blooms.
Anna's Promise	Gr	Love the blossom color. Seems to struggle in our climate.
Boscobel	S	Died over winter. Not at all vigorous.
Calypso	S	Calypso has good foliage and seems to be disease resistant with no blackspot or mildew. The bush repeats easily with an abundant number of long lasting blooms. I have not shown this rose so did not give it a exhibition rating. I find it a very pleasing ro
Candy Cane Cocktail	F	Interesting color. Japanese beetle free so far.
Champagne Wishes	S	Champagne Wishes is an excellent rose and a beautiful addition to my rose garden. It blooms in clusters with blooms of white with a hint of apricot that fades into white. Repeats throughout the summer.
Cutie Pie	MinFl	Prolific bloomer and great show form.
Daddy Frank	Min	This can become a tall miniature rose. The structure and foliage is often much larger than the blooms. May look awkward in some gardens. Flowers are spectacular, though.
Doris Day	F	I like the mild fragrance and how I can smell it as I walk by the roses. Lots of blooms, bright, long lasting yellow, glossy foilage and good repeat blooming. Fairly compact.
Eureka (Gold Struck)	HT	Hasn't prospered like other 2 year old roses.
Fighting Temeraire	S	Eye catching in the garden. Won best of show with a single bloom.
Fire Opal	F	Gorgeous blooms and beautiful sprays. Totally disease free.
Fired Up	F	Flowers bloom with slightly different color colmbinations
Garden Director Bartje Miller (Dark Night)	HT	Several blue ribbons. Performs but with some cool weather or shade.
Good as Gold	HT	I love the first orange/yellow color of the new blooms, but it quickly fades to pale yellow. The plant is healthy and robust.
Gräfin Diana (Dark Desire)	HT	Love the form and color. Fragrant.
Heathcliff	S	Slow grower. Nice color. Burns easily.
Jolie Veranda	F	I DO NOT like the blooms at all! They are ugly in fact.
Jump for Joy	F	good substance
Lavender Veranda	F	This is a very lovely lavender rose, it is small and perfect for my small garden spot by the front door. The blooms are pretty and repeat often.
Madame Anisette	Gr	Extremely vigorous; very fragrant. Could be grown as a pillar rose. Beautiful foliage. Quick rebloom. Totally hardy in zone 4b. Disease free.
Mercury Rising	HT	Beautiful on the show table.
Miss Congeniality	Gr	Vigorous and no disease problems. Lots of absolutely beautiful blooms. Opens too quickly to be a good show rose.
Neil Diamond	HT	Not vigorous, not particularly hardy, prone to balling and disease. Surprisingly VERY fragrant! Japanese Beetles do not seem interested in this variety
Northern Encore (Polar Joy)	S	I have this as a tree rose. I love it. A little slow to get going, but improving each year.
Olivia Rose Austin	S	Even grows well in partial shade.
Pretty Lady Rose	HT	I really enjoyed this rose. It bloomed profusley with large blooms all season long.
Royal Jubilee	S	Not vigorous. Marginally hardy. Shovel pruned it.
Savannah	HT	Gorgeous garden variety, totally hardy to the tips in zone 4b. Heavily fragrant. One of the best roses to come along in years, particularly for the Rocky Mountain District.
Smokin' Hot	HT	Adjusts well to hot temperatures above 90 degrees. Good color and foliage. Stingy bloomer. Disease and bug resistant.

South Africa	Gr	The deep gold color holds even in the heat of summer.
Sriracha	F	Her fragrance fills the air all around the bush and her bright orange color set against her rich green foliage draws people in. very eye-catching. Also had her as a tree rose, many people walking by checked her out
Sugar Plum	HT	I like the color of the blooms, but not the shape of them. They have many petals, probably around 30, but they don't open up to be very pretty. I am disappointed in it.
Take It Easy	S	nice bloom
Tattooed Daughter	Min	Flowers in clusters. A good flower is charming; but many are muddled and muddy.
The Lady Gardener	S	Hardy, very pretty cultivar. High hopes for this one.
The Lady of the Lake	LCl	Beautiful bloom, fragrance, healthy and vigorous growth
Thomas á Becket	S	Received poor bare-root plant; plant never thrived and died this past winter.
Tropical Lightning	LCl	Beautiful and unique blooms! Rich healthy foliage,
Violet's Pride	F	The blooms are fabulous! and lots of them! repeating is slow. I really like the petals and the color of the lavender. No fragrance.
Watercolors Home Run	S	Very hardy rosebush that is a bloom machine! The bees love her! Even during the hottest time of the season she keeps on blooming. Very strong good rosebush.
Winter Sun	HT	Hardy yellow Kordes rose with good form and nice foliage
You're the One	Min	Beautiful blooms and a good repeater. But I hate to spray, and it gets both powdery mildew and blackspot.
